

Math Lesson 3 - Line Graphs

Click on the link below and watch the lesson.

[Insert link to instructional video here.](#)

After you finish watching the video, complete the following IXL 5th Grade Skills to practice these concepts. *(You only need to get to the score of 80 on the IXL levels. They get challenging after that point. If you are up for the challenge, try to get to 100.)*

W - Data and Graphs

- W.2 Interpret Line Graphs
- W.3 Create Line Graphs
